

BEAM CAMP of STRAFFORD NH SEEKS CAMP NURSE for 2024!

CAMP DESCRIPTION:

Beam is a unique summer camp for the fine and manual arts where each summer campers ages 9-17 collaborate on a spectacular project. Our mission is to help kids explore what it means to make things with their own bodies and brains, and how that creativity is relevant and applicable to everything in their lives. They transform ideas into artifacts, and personal achievement into community success. They also have a lot of fun! The centerpiece of the program is the Beam Project. Each summer Beam commissions a unique, large-scale collaborative endeavor that campers and staff produce and enjoy.

JOB DESCRIPTION:

Beam Camp is hiring a Nurse for our 2024 summer program. The Beam Nurse's responsibility is to provide medical care for approximately 60-80 campers, and 25-30 adult staff by implementing camp Health Center protocols such as:

- Reviewing of incoming health forms for campers & staff
- Medication distribution
- Caring for ill or injured campers and staff
- Maintaining Health Lodge records
- Communication with parents as necessary for illness or injury
- Arranging for outside care to local urgent care or hospital if needed, and occasionally transporting injured or sick individuals
- Picking up prescriptions from local pharmacies

COVID-19 Responsibilities:

Beam Camp has established COVID-19 Health & Safety Guidelines for the summer of 2022. The Camp Nurse will be involved in this team effort with the leadership of the camp, and entire staff. Protocol will be updated responsively as the camp start date gets closer.

Beam Camp requires a period of quarantine and negative test results before people are allowed to enter our camp community.

QUALIFICATIONS:

- Licensed RN (preferred), MD, NP, EMT, LPN
- Ability to relate to one's peers as well as campers
- Organized with good communication skills
- Possess strong leadership skills

Emotionally mature, willing to accept responsibility
Exhibit the ability to place the needs of the campers and camp above their own
Team player that can relate positively to staff, volunteers, and campers
Be in good health, vitality, and physical stamina
Must be vaccinated against COVID-19

We invite our nurse to be an integral part of the camp community joining in on the fun and learning amid the camp's beautiful New Hampshire surroundings (lake and woods included).

DATES of EMPLOYMENT: June 22nd, 2024 - August 13, 2024. This includes set-up/orientation & take down. Camp dates: June 29th, 2024 - August 13th, 2024.

SALARY: \$8,000-9,000 (salary varies based on prior experience). Room & board and food included. Salary can be exchanged for camper tuition.

TIME OFF: Negotiable, with a relief nurse available.
